

## education

### Whitman College

Walla Walla, WA | 2018

Bachelor of Arts in Economics  
Bachelor of Arts in Art  
- Distinction  
GPA: 3.6

### Glasgow School of Art

Glasgow, UK | 2017

Program: Year II  
- Painting and Printmaking

## work

### Freelance Design

ericrannestad.com/Design | Bellingham, WA

2019 - ongoing  
(1 year)

Providing freelance design and communication services to environmental groups. Clients include the Nooksack Salmon Enhancement Association, Washington Conservation Commission, Walla Walla Country Conservation District, and more.

### Communications Intern

Walla Walla County Conservation District | Walla Walla, WA

2018 - 2019  
(8 months)

Led a rebranding initiative in order to modernize the organization's communications and better educate people on the role of conservation districts. This involved creating a new logo, website, and editorial.

### Research and Design Intern

The Nature Conservancy + ECONorthwest | Portland, OR

2017 - 2018  
(10 months)

Designed infographics, presentations, and social media assets for a variety of audiences. Co-authored a detailed report on the rangeland restoration seed market. Authored the marketing strategy for The Nature Conservancy's new rangeland restoration product: Precision Restoration.

### Studio Assistant

Clement Valla Studio | Brooklyn, NY

2018  
(3 months)

Developed a CSS and Javascript tool that compiles and formats printer-ready books from Are.na research channels.

### Marketing and Design Director

Associated Students of Whitman College | Walla Walla, WA

2018  
(8 months)

Designed social media assets and other outreach material for student government. Informally, my role often extended to assist other student groups and academic departments with their design needs.
